SEALED offers by letter or telegram for the supply of Indian grown black tea required to be delivered between the 15th February and 15th April 1915 will be received by the Deputy Assistant Director of Supplies, 9th Division, Ootacamund, up to 12 noon on Wednesday the 9th December 1914.

2. Offers should specify in words as well as in figures the rates at which the tea will be delivered. Fractional parts of pies in rates will not be accepted. Rates should be quoted at as much per pound or per 100 lb, with full particulars regarding terms of delivery. Offers must be fully signed and dated. Offers by letter should be sent in a sealed or registered cover superscribed "Tender for the supply of tea" and addressed to the Deputy Assistant Director of Supplies, 9th Division, Ootacamund, and not to any officer by name.

3. Offers will be opened at this office at 12 noon on Wednesday, the 9th December 1914. Offers sent by post should be despatched so as to reach this office the day previous to opening of tenders as registered letters are not delivered in this station before 1-30 P.M.

4. Tenderers are particularly requested to give their address in full and also their telegraphic code address if any. These should also be quoted in all correspondence.

5. Quotations should be for delivery either in regulation Army boxes as specified in paragraph 7 or for delivery in ordinary commercial chests (see paragraph 8) and should also be for delivery (A) for the various quantities specified F.O.R. at the several stations concerned or (B) for the total requirements delivered (1) F.O.R., Madras (2) at the Supply Reserve Depot, Madras, or (3) F.G.R. at any convenient place the tenderer may select. Should any tenderer fail to specify the place of delivery it will be taken to mean that the offer is for delivery at the Supply Depot of each station of requirements.

6. No earnest money is required but the successful tenderer will be required to execute the usual informal agreement or contract deed on I.A.F.Z-2123 or 2120 and 2121 with or without a security deposit as may be necessary.

7. The following special conditions will be included in the agreement for the supply of tea in Regulation boxes :

"The tea shall be equal to the Supply and Transport sample (which can be seen by the tenderer at the Seppy Reserve Depot, the Beach, Madras, or at the nearest Supply and Transport Store Depot, *i.e.*, at any one of those named below) and free from undue proportion of dust tea and shall be contained in strong serviceable boxes (but not of seemul or cotton wood) lined with sheet lead well secured and in merchantable condition and the lids of the boxes shall be securely nailed down and not screwed. A uniform quantity of 80 lb. tea should be contained in each box which will be oblong in shape and according to the sealed sample which the tenderer can inspect in the Supply Reserve Depot, the Beach, Madras, or in any Supply and Transport Store Depot, measuring outside 2' 8" × 1' 1½" × 1' 5" and weighing with sheet lead not more than 28 lb 4 oz. (sheet lead 4 lb. 4 oz. and box about 22 lb.). The total weight of each box with tea is thus not to exceed 76 lb. 4 oz. viz., box with sheet lead should weigh about 26 lb. 4 oz. and tea 50 lb.

Each box should be branded thus :—

Season .. .. (correct year to be inserted).
Indian black tea.
Nett weight 50 lb.
Gross weight .. (to be inserted).
From .. .. (contractor's name to be entered).

The weight of each box with lead foil will not be rigidly insisted on but variations in the aggregate weight of the box including lead should not exceed 6 lb., for instance 2 lb. more or 3 lb. less may be accepted. Empty tea chests and lead will become the property of Government."

8. Alternative rates may also be quoted for a similar quantity of tea packed in sound and thoroughly serviceable tea chests of ordinary commercial pattern, fit for transit by rail, instead of in the Regulation army boxes above described but it should be clearly specified in the offer what style of packing is tendered for.

9. The approval or rejection of offers rests with the General Officer Commanding 9th Division, who reserves to himself the right of rejecting any offer or any items in a tender or a portion thereof without reason assigned. The lowest tender need not necessarily be accepted. As a rule only successful tenderers are informed by telegram the result of their offer. No notice can be taken of requests from unsuccessful tenderers for information by telegram unless the cost of such telegram is prepaid.

10. All consignments deliverable free on rails in fulfilment of the contract should be despatched at the ordinary public tariff rates and not at the Military Tariff rates. Further it is no longer incumbent on the contractors to book their supplies to a Government official as has hitherto been the case.

11. A two pound sample of tea should be sent to this office a week before the tenders are opened.

12. Any further information required can be obtained on application to this office between the hours of 11 A.M. and 2 P.M. (Sundays and holidays excepted).
